Bittel recently unveiled new generation multi-media centre called UM 77, which combines the essential features & functions required by hotels such as Bluetooth, NFC, charging station, radio, alarm clock and hotel phone in ONE. UM 77 adopts high-grade aluminum alloy faceplate with elegant acrylic panel to keep consistency with hotels' concept & style. Premium loudspeaker with impressive subwoofer performance is definitely comparable with other mainstream speakers.

Up to 7 charging ports(4 USB smart charging ports & 1 MFC cable) can perfectly satisfy the charging demands for Device, Android and other portable devices. UM 77

Anti-slip bath mats can also add an aesthetic appeal to your bathroom floor, so make sure you choose one that matches all other accessories of your bathroom. A shower mat with drain holes will also keep the bathroom floor dry, which will reduce the mess in the bathroom. Anti-slips bath mats are also necessary for children and elderly individuals. Check out our recommendations of anti-slip bath mats
